We have seven senior team which play in varying leagues in the Norwich area which consist of varying standards and ages so there is a place for everyone. We have a very active junior section with our under 16s in division one of East Junior Regional League and our under 14s in division two of the East Junior Regional League. We have teams for girls from under 12 all the way up to adult and play local junior leagues .

We are a club that like to develop happy team that play in the Thoroughbreds style and have players who both enjoy their netball and our proud of our clubs ethos which is that we shouldn't just be measured by the individual games we win but how each member fits in and contributes to the club.
